LIFETIME EXPERIENCES

Cobá Mayan Village

Code **CMV**

The Mayans settled the Yucatan Peninsula, where their culture flourished from 300 B.C. to 1524 D.C. Their legacy was passed on from generation to generation. This enriching expedition was named the 2015 Cultural Tour of the Year by Mexico’s Ministry of Tourism (SECTUR) for the encounter it provides with this wonderful culture. Visit the impressive Coba archeological site, follow its ancient roads to the tallest Mayan temple in the region. Delve into nature and meet a real Mayan family in the village of Esmeralda, which guards the secrets of their ancestors. Swim in the wonderful, crystal clear water of a cenote, and enjoy a delicious regional meal.
