

Tulum Hidden Snorkeling

Code TASP

Explore the Tulum archeological site with a spectacular view of the turquoise-colored water of the Mexican Caribbean. Head to Yal-kú, where you'll discover where freshwater merges with the salt of the open seas. It's a combination that will make your day an unforgettable experience. Check out one of most spectacular cenotes in the Mayan Riviera (open and closed) and go under water to see the beauty of the impressive calcareous rock formations.

Includes: Water and soft drinks on board the transportation units, entry to archeological site, certified guide, mixed (open/closed) cenote, guided tour with required equipment.

Doesn't include: Lockers or towels.

Recommended: Wear your bathing suit and cool, comfortable clothes. Bring biodegradable sunblock, towel, water shoes, camera, and extra cash.

Observations: LANGUAGES: Monday to Sunday, English and Spanish. Thursday and Friday, French.

Health restrictions: Limitations for persons with heart and kidney problems. People under the influence of alcohol or any other drug may not board

Mon to Sun 7:00 hrs - 19:00 hrs

Estimated duration: 4:30 hrs
