

Cancún, Quintana Roo, January 8th, 2021

Dear Commercial Partner,

With reference to the recently announced new tax, we would like to share the following information made available to us,

- On December 21, 2020 it was published in the Official Journal of the State of Quintana Roo the imposition of a new tax to be paid by all tourists who enter the territory of the State of Quintana Roo.
- This new tax is in the amount of \$224.05 pesos per person or 2.5 times the daily value of an UMA - Unit of Measurement and Update. The value of the UMA is set by the INEGI, a Government office. The daily value of an UMA was placed at \$89.62 Mexican Pesos for year 2021. At the current exchange rates, the amount in USD will fluctuate between \$10 USD and \$12 USD per person.
- The new tax will come into effect on 1st April, 2021, however there is a possibility that this date could be delayed.
- It is likely that the tax will be required to be paid at the airport, although this is yet to be confirmed.

Until now, the following has not been announced:

- If the tax will be paid upon arrival or departure.
- The payment procedure.

We will update you once more information is made available.

Sincerely,
