

As this is an orientation document, BD Experience does NOT have any kind of agreement or affiliation with these laboratories, they are simply recommendations of places where the required tests can be carried out. It is the guests responsibility to arrange the appointment in advance and to take into account the required time guidelines stipulated by each government. Guests can purchase transportation with their BD Experience Memory Maker. As a guideline, an exchange rate of \$ 19.00 Mexican Pesos to \$ 1 USD is being used, however, this may vary depending on the exchange rate on the day and the rate applied by each laboratory. Please verify when making your appointment.

General instruction prior to taking the PCR test: At least, 4 to 5 hours before taking the test, you are required not to carry out the following:
Do not eat or drink. Do not brush your teeth or tongue with toothpaste. Do not gargle, use mouthwash or antiseptic.
