

Cancun, Mexico, January 22, 2021

Dear Business Partners,

Last night the Government of the State of Quintana Roo announced the change of the Epidemiological Traffic Lights from Yellow to Orange for the Northern Region of the State. That includes the municipalities where Cancun, Playa del Carmen and Riviera Maya are located. Below you will find the information of the activities and percentages of opening allowed for each of them. This change is to be enforced from Monday, January 25th to Sunday, January 31st

On Thursday, January 28, they will announce what will apply for week of February 1st to 7th.

This is a free translation of the original document issued by the Government of the State of Quintana Roo:

LET'S REACTIVATE QUINTANA ROO

The economic reopening will be gradually, orderly and responsible
